Re: 2023 Processor Assessment Report

The Oregon Strawberry Commission average fresh-market price for 2023 assessments is \$1.00 per pound. This number is generated as an industry average to be used by the commission for assessment purposes only. The current assessment rate for processors is to be calculated at **1% of the gross value of the raw product.**

Assessments are due by September 15, 2023. Reports may be submitted by email or mail. Any assessment postmarked after September 15, 2023 will be charged the 10% late fee plus 1.5% interest fee per month thereafter. Please complete and submit the enclosed form, additional report forms may also be found on our website at [www.oregon-strawberries.org](http://www.oregon-strawberries.org).

**Organic Exemption:** An organic producer will be exempt from assessment if the producer presents the following information to the commission by September 15th of each year:

- (a) Either:
  - (i) A current certificate from a certifying agent under the Organic Foods Production Act, 7 U.S.C. § 6501- 6522 and its implementing regulations; **or**
  - (ii) A statement of exemption from certification under the Organic Foods Production Act, 7 U.S.C. § 6501- 6522 and its implementing regulations; **and**
- (b) A production report signed by the producer containing the producer's name, mailing address, species of berries, and pounds and price for each species.

If you have questions regarding the enclosed assessment form, please contact the business office and we will be glad to help.

Thank you,
